

Come Magnify the Lord

A song for ALM

Come Magnify the Lord with me
His presence here we now will seek
In His Holiness we now will gather
His worship is our purpose in this place.
Set aside the cares of life
Let Him have your time
Give Him your full heart and mind
That He re-ceive all praise!

We Magnify You, Lord our God
Your presence here is all we seek
In Your Holiness we hum-bly gather
Your worship is our purpose in this place.
To You we'll bring the needs of life
To You we give this time
We yield to You our heart and mind
That You re-ceive all praise!
